

NORTH CENTRAL LITTLE LEAGUE

2026 NCLL All-Stars Player Application

Must be returned to your coach by 9:00 PM, Thursday, May 14, 2026

I wish to be considered as a candidate to participate on a North Central Little League All-Stars Tournament Team. I understand that I will be considered for a team based on my league age.

In making this request, I understand that my responsibilities are set forth below and that I have read and agree I will comply with each of the responsibilities. I also understand that more players apply for All-Stars than there are available spots, so my application is no guarantee I will be selected.

If I am selected, I promise to support my team by playing to my best ability at all times. I understand that All-Stars is a competitive environment and my role may be different than it was in the regular season. I will support my teammates regardless of whether I am on the field or in the dugout. I will treat my coaches, opponents, and umpires with the utmost respect.

I have no scheduled vacations, other sports, camps, or any other commitments that will interfere with my attendance at most practices and ALL games. I am available for most practices and all games for the period of June 1 through July 19 or beyond if my team goes to State tournaments. Only Majors & Juniors Tournaments will go to Regionals. All-Stars Tournaments are double elimination. The commitment ends when the team has lost two games. The team who wins District 8 goes on to State. In 2026, only Winners of Washington State Majors and Juniors will go on to play in Regional and World Series tournaments.

PARENTAL CONSENT AND COMMITMENT PLEDGE

By my signature below, I give my consent for _____ to become a candidate for selection to the All-Stars Tournament team. I have read the application of the player and confirmed the availability for practices, scrimmages and ALL game times.

I have read '**Important Information for Parents**' on the next page and I acknowledge all information & requirements noted within it. I will promptly provide all required birthdate and residency or school documentation if my child is selected.

I assure that the player will have no scheduled vacations, camps, or other activities that will interfere with the player's ability to attend most practices/scrimmages and ALL games. Please identify below any dates where your child will miss practice between June 1 and July 19. Many of these tournaments will wrap much earlier.

I understand that the goal is to win the tournament. Playing time in tournament play is at the managers' discretion as governed by Little League rules. I understand that my child may play positions other than those played during the regular season.

I understand and make the commitment that, if my child becomes a member of the team, I will give my child's coaches full control of my child during games and practices and understand that tournament rules may not allow contact between parents and players/coaches during games unless absolutely necessary.

I acknowledge and understand NCLL's philosophy, warm-up tournament liability, expectations around behavior, and agree that any violation of these rules by me, other family members, or by someone attending with me may result in disciplinary action.

Please list any possible dates you will miss practice/scrimmages/games:

IMPORTANT INFORMATION FOR PARENTS

All-Stars teams play in district tournaments against other Little Leagues in the same age division. It is a lot of fun, players get as much, if not more, baseball instruction as they did in the regular season, and there is no additional registration fee required for your child to participate.

With exceptions for players participating in high school baseball and those with approved Medical Waivers, players must have played at least 60% of the season on a regular North Central Little League team in order to play All-Stars. High school softball players have no minimum play requirement for Seniors All-Stars. Players must meet all eligibility criteria established by Little League Baseball. NCLL is required to confirm eligibility by obtaining residence eligibility and proof of age documentation from each player. It is absolutely critical that NCLL receives this from each player or the team could be disqualified.

NCLL is allowed only one All-Stars team in each of the divisions that tournaments are offered. Our league's priority is to put a competitive team on the field in each division. Since there are normally more applicants than spots, it may be necessary to cut some players.

The commitment for All-Stars is more intense than the regular season. Depending on how well each team does, it could go until late July, or early August if they win District and advance to the state tournament and beyond. The players will be required to be at most practices and ALL games. Normally teams practice or scrimmage 4–6 days a week with up to 2 warm-up tournaments before the district tournament starts.

If my child participates in warm-up tournaments, it will be at their own risk and families cannot hold Little League, NCLL, coaches, and/or any volunteers liable for injuries and/or damages that arise from participation.

The NCLL philosophy is that competitive performance and a positive experience must coexist. I understand that “experience” does not guarantee equal playing time.

The 24-Hour Rule: Parents agree to wait 24 hours (or until the next day) after any game or practice before contacting a coach with a grievance or feedback regarding playing time or strategy. These conversations will be respectful and handled in private. Coaches are volunteers approved by the Board of Directors and should be treated with respect at all times.

Failure to adhere to the 24-hour policy or engaging in disrespectful behavior toward coaches, officials, or other families may result in:

- Physical removal from the premises.
- Suspension from attending future NCLL All-Star events
- Review of family's future eligibility within the league

NORTH CENTRAL LITTLE LEAGUE

2026 NCLL All-Stars Commitment Agreement

Commitment information, parental agreement, dates and location

For 2026, District 8 Tournaments start between June 18 and July 6. District 8 Tournaments typically include 11 or 12 teams (5 or 6 teams for Juniors) and last 9–11 days (or 5–6 days for Juniors). The winner of the District 8 Tournament goes to the State Tournament. The winning team at State (12 and above only) may advance to Regionals and from Regionals to Nationals or the Little League World Series, which ends in late August. There are no “set” dates or times for the games, as each tournament is double elimination. Whether you win or lose determines your next game time. There will be travel involved within or out of state. While the league sets aside limited funds to help defer the cost, there may be some out-of-pocket expenses, as well as the possibility of a fundraiser if additional money is needed.
